DIE-CAST MODELS

ALL PRICES SHOWN INCLUDE POSTAGE & PACKING.

Very few new models have been announced in the last six months; still no news from Bachmann Europe on EFE releases that had been expected over 12 months ago, whilst Northcord appear to be running some 9 months late with their items. Soon to be available will be their ADL Enviro 400MMC in Xplore Dundee livery (UKB6521 listed in our Winter 2020/21 catalogue) - which had been scheduled for release in May 2020! A few of their recent models - where we have been able to re-stock - are shown below.

Corgi OOC have announced their 2021 programme but as their proposed models are limited to New Routemasters and Wright Eclipse Gemini items - castings that have already been well covered in the last 5 or so years - we will not be stocking these.

One new casting that has been announced by Oxford Die-Cast for late 2021 is a 1:76 scale Alexander 'M' type coach. Further information will follow in future catalogues/brochures.
